Re: Rivera, Sophiabella v. Telesco, James S., et al.;
Docket # 7:20-CV-09982

Dear Hon. Judge Karas:

The undersigned represents the defendants in the above entitled action. Defendants have advised the plaintiff's attorney and the court that there is no diversity jurisdiction as both the plaintiff and defendant reside in the State of Florida. The court has ordered defendants to provide an affidavit of residency on or before March 3, 2021. Defendants apologize to the court and to plaintiff's counsel for the delay but my office has not yet received the signed affidavit from my client. I spoke with the client last week and was assured it was mailed. Unfortunately we have not received it. We respectfully request an extension to March 10, 2021 to exchange the executed affidavit.

Granted, but there will be no more extensions.

So Ordered.

Respectfully yours,
